FLOWERMART COOKBOOK

Spiral-bound, 127 pages, measuring 5 1/2" wide x 8 1/2" high, the FlowerMart cookbook is chock-full of recipes from FlowerMart committee members and friends plus festival photos. It has a translucent cover to intercept spills and splashes. The special price is \$10 each or two for \$16. Please include \$2 shipping and handling for each book.

THE LIVING CITY

This beautiful hardcover coffee table book, "The Living City / Baltimore's Charles Center & Inner Harbor Development", foreword by Walter Sondheim, Jr. and copyright 2002 by the Maryland Historical Society, contains diagrams and many before-and-after photos of the two places in the city undergoing needed revitalization. Each book measures 9 1/2W" x 12 1/2H" x 7/8" thick and sells for only \$20 with \$5 for shipping and handling to addresses in Maryland and is accompanied by an oversize retro FlowerMart tote bag.

FLOWERMART CAPTAIN'S CHAIR

We have a few captain's chairs with a previous FlowerMart logo on them. Packaged in an individual sleeve with a handle, it makes comfortable extra seating with a drink holder in the arm. Use it watching your child's soccer or softball game or enjoying fireworks on the lawn. Because it extremely awkward to pack and ship, this chair must be picked up at a location off Greenspring Ave. near the Beltway. The exact address will be supplied when Karen receives your payment of \$10. An oversize retro FlowerMart tote bag is included with each chair.
